### Summary of reasons for decision:

The publication contains additional content derived from, and designed to be played in conjunction with, a console game originally examined and classified by the Classification Office

("Two Worlds II", OFLC No. 1100031.000, registered 9 February 2011). It was classified R13 and given the descriptive note 'Contains violence'.

This computer game expansion pack comprises the new component "Pirates Of The Flying Fortress", which continues the open-world role-playing theme of "Two Worlds II". This extra component deals with matters of horror, cruelty and violence in a similar manner to the original game, and does not require this expansion pack to be given a different classification from the original game.
